7. Foreign tax residents

We are required under domestic and international laws to collect and report financial and account information relating to individuals and organisations who are, or may be, foreign tax residents. We may ask you whether you or any shareholder, beneficiary, settlor or controlling person are a foreign tax resident from time to time, such as when you open an account with us, or if your circumstances change. If you do not provide this information to us we may be required to limit the services we provide to you.

Unless you tell us otherwise, by completing any application, you certify that any shareholder, named beneficiary, settlor or controlling person is not a foreign tax resident. You must tell us if you, or any shareholder, named beneficiary, settlor or controlling person is, or becomes, a foreign tax resident (unless an exemption applies, such as for shareholders of listed companies). Where there are no named beneficiaries (e.g. for beneficiaries identified only as a class) you must tell us if a beneficiary is a foreign tax resident immediately when any decision is made to identify and make a distribution to them. You may contact us to provide foreign tax residence information by calling 1300 725 863.

If the Individual or Entity is a tax resident of any other country outside of Australia, please indicate the country(ies) in which they are a resident for tax purposes and each country's associated Tax Identification Number (TIN)*.

If a TIN is not available, please select one of the reasons against the appropriate country:

Reason 1: Foreign TIN is not issued by this country.

Reason 2: Individual is under age (applies to individuals only).

Reason 3: Foreign TIN pending issue by the country's tax authority.

We cannot give tax advice, so please contact your independent tax advisor if you need help finding out whether any person is a foreign tax resident.

*A Foreign TIN is an identifying number or equivalent issued by the Individual or Entity country of the tax residency that is used for tax purposes.
